### GUIDED TOUR OF ST ALBANS CATHEDRAL THURSDAY 21st OCTOBER 2021

Join us for a guided tour of St Albans Cathedral. Built using materials from the Roman Town of Verulamium the building itself has many surprising features. The tour is provided by an official badged Cathedral Guide.

The tour will commence at 11.30am which means that you may either use the bus (F77 to Luton then the 321 to St Albans) or drive and park at one of the car parks in central St Albans or outside the Verulamium Museum.

There will be an opportunity for lunch after the tour —either bring your own or use one of the many cafes/pubs in the town. After lunch we plan to lead a circular walk lasting 60-90 minutes (weather permitting) then return to LB either by car or bus.

If you have questions about the trip please call Julian (07770 344914) or talk to him during a walk.

The cost for this is £5 to be paid in full before **Monday 11th October 2021.**

Send booking form overleaf with payment or pay by BACS and Then email your details to Julian Chritchlow.
